## WORK EXPERIENCE

Advirto Digital  
2023 - 2024

### Intern Developer

Started as an intern at Advirto Digital focused on WordPress-based solutions, led multiple client projects, developed custom themes and plugins.

Ceylon Ventures Pty Ltd  
2024 - 2025

### Full stack developer

Joined as a Full stack developer, working on the development and maintenance of web and software applications. Gained hands-on experience with full-stack development, collaborating closely with cross-functional teams to deliver effective tech solutions.

Aurora 365  
2025 - Present

### Full stack developer

Worked as a Full Stack Developer at Aurora 365, where I contributed to ongoing software development projects. Collaborated with teams to build efficient, user-friendly applications while continuously developing and refining my skill set.

Freelance Developer  
2020 - Present

### Self-employed

Providing freelance web development services for a diverse range of clients — including local businesses, international clients, and Fiverr customers. Specializing in WordPress and custom web solutions, handling everything from project scoping and design to development, deployment, and post-launch support.

---
